

Breaking the Circle

European peer to peer actions to raise the awareness of children, youngsters and professionals on rights in children and juvenile justice

WORK PLAN

JUST/2014/JPPI/AG/CHIL/6928

Project Summary

Applicant

Città Metropolitana di Milano (Italy)

Partners

Italy – Milan: Codici Social Research Agency; Comunità Nuova Onlus; dotdotdot

Romania – Brasov: Ahead Association

Cyprus – Nicosia: Eurosuccess Consulting

Spain – Madrid: Universidad Autonoma de Madrid; Asociación Suyae

Objectives of BTC

- Raise the awareness of children and young adults of their rights in the context of civil, criminal and administrative judicial proceedings through a participatory approach;
- Increase knowledge of professionals working in the field of Juvenile Justice and in the Educational System on a Child-Friendly Justice Approach;
- Improve Child-Friendly Justice Practices in all member States of EU.

Beneficiaries

- Pupils aged 14-18, male/female, different social, economic, cultural background: n. 4.325
- Youngsters, male and female, different social, economic, cultural background, involved in different ways with Judicial Proceedings (Civil, Criminal and Administrative): n. 60
- Professionals working in Secondary Schools, in formal and non formal educational contexts, in Juvenile Justice System: n. 308
- Private and public institutions, Professionals working in Juvenile Justice Sector in all 28 EU Countries: 1.250 (access to web site and participation to local and final events)

Expected results

- Increased awareness of children and young adults of their rights in the context of civil, criminal and administrative judicial proceedings through a participative planning, implementation and spreading of Awareness raising campaigns in educational contexts.
- Increased knowledge of professionals working in the field of Juvenile Justice and in the Educational System on a Child Friendly Justice Approach.
- Improved Child-Friendly Justice Practices in all Member States of EU Union, increasing the return of anonymised feedbacks from the project to relevant professionals at a local and national level, and to EU Commission.

WS1 «Participatory advisory groups of young people involved in judicial proceedings and professionals working in»

Run at a local level by each partner country.

1 group of young people (n.10/15 – age 16/20) involved in different judicial proceedings (administrative, civil and criminal);

1 group of professional (n.10) working directly with youngsters in the field of Juvenile Justice.

Objectives:

- Update European Guidelines on Child Friendly Justice, and evaluate the coherence with the youngsters life experience;
- Point out topics in a participatory way, and build tools to assess the national awareness raising campaigns targeting students in school and youngsters in extra school contexts (see WS2);
- project the necessaries output for the awareness raising campaign, specific for each local context;
- Involve the youngsters as discussants in the whole project implementation.

Comunità Nuova Onlus

WS2 «Awareness raising campaign activities within secondary school and formal and non formal educational contexts»

Communication tools (electronic, in english and transferable to each specific context – aligning and translating);

Local Awareness Campaigns (n.20 campaigns for Italy; 15 Spain; 10 Romania; 8 Cyprus; for each campaign: 25 pupils aged 14-18 + 1 professional), in different educational contexts (sec. Schools; non-formal).

Objectives:

- to implement the awareness of educational institutions and non-formal education contexts about Child and Young Adult Friendly Justice;
- to inform pupils aged between 14 and 18 years old, about their rights in judicial proceedings;
- to promote a Child and Youngsters Friendly Justice approach in-between professionals, teachers, educators working with pupils and youngsters;
- to raise the awareness of the families of the youngsters involved;
- to evaluate the activities, to point out models of intervention that can be shared and replicable in different local, national and European contexts.

Città Metropolitana Milano WS3 «Training for trainers»

In each partner country: 3 Training modules for professionals (20 for each training in Italy; Spain; Romania; 10 for each training in Cyprus) working in Juvenile Justice Sector (social workers, educators, psychologists, prison guards, policemen, mediators, family consultants, lawyers...) and not (teachers, non-formal educators...) and coming from different institutions (Juvenile Courts, Juvenile Prisons, Preventive Institutions, social Services, schools; ong...).

Objectives:

- raise the knowledge of professionals who can act preventively, working in the field of Juvenile Justice and in the Educational Field;
- put in contact the experiences of professionals with the point of view of children and youngsters involved in Juvenile Justice Proceedings;
- systematize a methodology of intervention and training with professionals who can act preventively through an English toolkit, transferable to the other European countries.

Codici

WS4 «Dissemination at a National and European Level»

1 Web European Campaign and in each partner country: National Social Network Campaigns (based on the activities of the project and coordinated); Live National Events (5 local institutions represented, at least 50 participants from different public and private institutions working in Juvenile Justice)

Objectives:

- raise the awareness of youngsters and their families at a local, national and European level, on their rights in Judicial Proceedings with a campaign that uses language and forms that can reach them in a direct and effective way;
- augment the knowledge of professionals that work in Juvenile Justice and Educational Sectors, at a local, national and European level;
- return anonymised feedback from the project to relevant practitioners at a Local and National Level, and to European Commission, in order to improve child-friendly justice practices in the Member States of European Union.
